 Subject: RE: Secure Patient Messaging via MyUHealthChart

Message MS Outlook MyUHealthChart Auto Reply TEXT with Formating.docx (16 KB)
 MS Outlook MyUHealthChart Auto Reply Tip Sheet.pdf (442 KB)

STOP Patient Communication Through Email; Use MyUHealthChart Instead!

WHAT?: Eliminate Non-HIPAA compliant clinical communications through email/Microsoft Outlook and encourage secure messaging through [MyUHealthChart](#).

MyUHealthChart.com

WHY?:

Empower patients to participate in their healthcare

Encourage access to their electronic healthcare records

Meet your mandatory MU requirement to communicate with patient via secure electronic messaging

HOW?: Set up an automatic reply as an Outlook signature directing patients to send a message through [MyUHealthChart](#).

- 1) Follow the steps outlined in the *MS Outlook MyUHealthChart Auto Reply* tip sheet attached

QUESTIONS?: If you require assistance setting up or using reply message in Outlook, please contact Rosa Blanco-Herrera (305) 243-1558 or by email to Rbherrera@med.miami.edu.
